

FC MIDTJYLLAND OFFERS A STUDY PROGRAMME AS A FIRST TEAM DATA ANALYST IN THE PERIOD FROM JUNE 20, 2026, TO JUNE 30, 2027 IN COLLABORATION WITH ISI HØJSKOLEN.

DO YOU WANT TO BE PART OF THE MOST INNOVATIVE FOOTBALL CLUB IN SCANDINAVIA NEXT SEASON?

FC Midtjylland, in collaboration with ISI Højskole, offers a unique study programme aimed at aspiring First team Data Analyst who want to turn theory into practice and build a career in the football industry.

We are looking for open-minded, punctual, independent, creative, and dedicated individuals who are eager to learn and contribute in a high-performance football environment. The study programme combines practical, hands-on experience at FC Midtjylland's training ground with formal education and personal development at ISI Højskole.

WHO CAN APPLY?

We welcome applications from individuals currently enrolled in or recently graduated from a relevant sports or data-based educational programme.

STUDY PROGRAMME OVERVIEW

As a First team Data Analyst student in this programme, you'll work closely with the performance analysis department at FC Midtjylland. You'll contribute to data collection, coding, and reporting across the first team. You'll also take part in key projects that support the club's performance development.

Your main responsibilities will include:

- Coding training and match data
- Creating and maintain dashboards

EDUCATIONAL COMPONENT AT ISI HØJSKOLE

Alongside your practical work at FCM, you will attend courses at ISI Højskole. Here, you will:

- Complete the UEFA C Coaching License
- Learn about FCM's Style of Play
- Explore specialist football disciplines
- Gain insights into Danish football culture
- Live and learn in a professional and supportive environment

ADDITIONAL INFORMATION

- Language: Fluency in English (spoken and written) is an advantage
- Personality: We value curiosity, initiative, and a team-oriented mindset
- Location: Accommodation is provided at IBF Arena, right next to the FCM training ground (single rooms)
- Financials: The study programme is unpaid, but all board and lodging are covered
- Start Date: June 20, 2025
- Duration: 12 months

HOW TO APPLY

Please send your application no later than April 26, 2026, to:
Tomas Mendes – Data Trainee
tme@fcm.dk
