

FC MIDTJYLLAND OFFERS A STUDY PROGRAMME AS A PHYSIOTHERAPIST IN THE PERIOD FROM 1.6.26-30.6.27 IN COLLABORATION WITH ISI HØJSKOLEN.

DO YOU WANT TO BE PART OF THE MOST INNOVATIVE FOOTBALL CLUB IN SCANDINAVIA NEXT SEASON?

FC Midtjylland, in collaboration with ISI Højskole, offers a unique study programme aimed at aspiring Physiotherapist who want to turn theory into practice and build a career in the football industry.

We are looking for open-minded, punctual, independent, creative, and dedicated individuals who are eager to learn and contribute to a high-performance football environment. The study programme combines practical, hands-on experience at FC Midtjylland's training ground with formal education and personal development at ISI Højskole.

WHO CAN APPLY?

We welcome applications from individuals currently enrolled in or recently graduated from a relevant Physiotherapist or rehab-based educational programme.

STUDY PROGRAMME OVERVIEW

As a Physiotherapist student in this programme, you'll work closely with the sport science, physical performance and medical departments at FC Midtjylland Women. You'll contribute in diagnosing, treatment and rehabilitation of the women's 1st team, Academy and Project Next Gen (male). You'll also take part in key projects that support the club's the development of the club's performance and medical department.

ROLE DESCRIPTION

The Physiotherapist Intern works alongside medical personnel, supporting the women's 1st team, Academy and Project Next Gen. Working under the guidance of the senior staff, the intern is responsible for executing tasks and delivering services that align with the club's high-performance culture.

KEY TASKS

- Assist in daily treatment and rehabilitation
- Support pitch-based rehabilitation
- Pitch-side medical for training and games.
- Monitoring and documentation
- Preparation and recovery setup
- Contribute to the multidisciplinary environment

EDUCATIONAL COMPONENT AT ISI HØJSKOLE

- Complete the UEFA C Coaching License
- Learn about FCM's Style of Play
- Explore specialist football disciplines
- Gain insights into Danish football culture
- Live and learn in a professional and supportive environment

ADDITIONAL INFORMATION

- Language: Fluency in English (spoken and written) is an advantage
- Personality: We value curiosity, initiative, and a team-oriented mindset
- Location: Accommodation is provided.
- Financials: The study programme is unpaid, but all board and lodging are covered
- Start Date: 1.6.26
- Duration: 13 months

ADDITIONAL INFORMATION

Please send your application no later than **April 26, 2026**, to:

MLA@fcm.dk, Malene Andersen – Physiotherapist
