

# FC MIDTJYLLAND (WOMEN'S FOOTBALL) OFFERS A STUDY PROGRAMME AS A SPORTS SCIENTIST IN THE PERIOD FROM JULY THE 6TH, 2026, TO JUNE THE 30TH, 2027, IN COLLABORATION WITH ISI HØJSKOLEN.

## DO YOU WANT TO BE PART OF THE MOST INNOVATIVE FOOTBALL CLUB IN SCANDINAVIA NEXT SEASON?

FC Midtjylland, in collaboration with ISI Højskole, offers a unique study programme aimed at aspiring Sports Scientists who want to turn theory into practice and build a career in the football industry.

We are looking for open-minded, punctual, independent, creative, and dedicated individuals who are eager to learn and contribute in a high-performance football environment. The study programme combines practical, hands-on experience at FC Midtjylland's training ground with formal education and personal development at ISI Højskole.

### WHO CAN APPLY?

We welcome applications from individuals currently enrolled in or recently graduated from a relevant sports or science-based educational programme.

### STUDY PROGRAMME OVERVIEW

As a Sports Science student in this programme, you'll work closely with the Performance and Health Department in FC Midtjylland Women's Football. You'll contribute to data collection, testing, and reporting across the first team and academy. You'll also take part in key projects that support the club's physical and performance development. Furthermore, you will work closely with the medical staff.

### Your main responsibilities will include:

- Data management and reporting, including clear communication of key performance and health insights.
- Active involvement in training sessions and matches, contributing with on-pitch implementation and feedback.
- Ensure high player availability and coordinated return-to-practice and return-to-play processes in collaboration with the performance and medical team.
- Effective use of technology and resources to support training quality and player development.
- Continuous learning and knowledge sharing within the performance and medical team.

### EDUCATIONAL COMPONENT AT ISI HØJSKOLE

Alongside your practical work at FCM, you will attend courses at ISI Højskole. Here, you will:

- Complete the UEFA C Coaching License
- Learn about FCM's Style of Play
- Explore specialist football disciplines
- Gain insights into Danish football culture
- Live and learn in a professional and supportive environment

### ADDITIONAL INFORMATION

- Language: Fluency in English (spoken and written) is an advantage
- Personality: We value curiosity, initiative, and a team-oriented mindset
- Location: Accommodation is provided at IBF Arena, right next to the FCM training ground (single rooms)
- Financials: The study programme is unpaid, but all board and lodging are covered
- Start Date: July 6, 2026
- Duration: 12 months
- 

### HOW TO APPLY

Please send your application no later than **April 26, 2026**, to:  
Mikkel Morgenstjerne Vigen – Head of Physical Performance  
mmv@fcm.dk
