

# FC MIDTJYLLAND IS LOOKING FOR A SPORT SCIENTIST FOR THE SUPERLIGA

FC Midtjylland is seeking a dedicated Sport Scientist to optimize the performance of our Superliga team. If you are passionate about sports science and have experience with professional football clubs, this is your chance to join our ambitious team.

## ROLE

- Full-time Superliga Sport Scientist (1st team)

## PRIMARY TASKS

- Develop the club's sports science department
- Responsible for daily management of GPS tracking (Catapult)
- Responsible for daily/weekly monitoring of muscle strength and jump tests (VALD Performance)
- Support the daily/weekly hydration monitoring
- Maintenance and development of PowerBi reports
- Maintenance and development of the club's intranet (KitmanLabs)
- Support and guide the team's physical trainer and medical department based on data
- Academic supervisor for the club's sports science interns
- Support gym and pitch sessions

## PROFILE

- Master's degree in Sports Science or BA Sport Science + MSc Performance Analysis or Big Data
- Experience from professional football clubs
- Proactive, hardworking, and high professional standards
- Team player

## ABOUT FC MIDTJYLLAND

FC Midtjylland is one of the leading football clubs in Scandinavia, renowned for its innovative approach and success in the Danish Superliga and Europa. We are committed to excellence on and off the field, fostering a culture of continuous improvement and teamwork.

## WORK ENVIRONMENT

At FC Midtjylland, we foster a collaborative and dynamic working environment where innovation, teamwork and high standards drive our success. You will be part of a passionate and dedicated team striving for excellence in every aspect of our performance.

## START DATE

June 15, 2024, or as soon as possible.

## SALARY

Salary will be negotiated based on qualifications.

## APPLICATIONS

The deadline for applications is June 5, 2024. Interviews will be conducted concurrently with the application process. Applications and questions should be sent to Director of Performance, Thomas Bay, at [tba@fcm.dk](mailto:tba@fcm.dk).
